The Honorable  
Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Haiku-Kauhikoa Water Tank Modernization** in Fiscal Year 2024. The entity to receive funding for this project is the **County of Maui, Department of Water Supply**, located at **200 S High St #5, Wailuku, HI 96793**.

The funding would be used to replace an aging potable water tank in the East Maui area, including the demolition and removal of an existing 250,000-gallon glass-fused steel tank and replacement with a new 250,000-gallon stainless steel tank, as well as other related piping and connective work. The project is an appropriate use of taxpayer funds because the project would enhance the safety, reliability, and resiliency of the drinking water delivery system to increase water security for the local residents.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act (42 U.S.C. 300j-12).

Lastly, I certify that neither I nor anyone in my immediate family have a financial interest in this project.

Thank you for your consideration of this request.

Sincerely,

Jill Tokuda  
Member of Congress
