The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Lānaʻi Community Health Center Facilities Expansion** in Fiscal Year 2026. The entity to receive funding for this project is the **Lānaʻi Community Health Center** located at **333 Sixth Street, Lānaʻi City, Hawaiʻi 96763**.

Requested funds will be used to expand access to specialty services at Lānaʻi Community Health Center, one of only two civilian healthcare facilities on the island. Those services include behavioral health, obstetrics and gynecology, optometry, and dental care, and this project will support ongoing improvements to enhance healthcare delivery for Lānaʻi residents. Despite efforts to optimize the existing 6,800-square-foot facility, increasing demand for comprehensive, integrated care has made it increasingly difficult for the health center to meet the community's needs. The funding would support facility renovations, new medical equipment, health IT upgrades, and other critically needed capital improvements.

The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S.C. §1926(a).

I certify that neither I nor anyone in my immediate family has a financial interest in this project.

Sincerely,

Jill Tokuda
Member of Congress
