The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Lānaʻi Affordable Housing Project** in Fiscal Year 2026. The entity to receive funding for this project is the **County of Maui** located at **200 South High Street, Wailuku, Hawaiʻi 96793**.

The requested project will cover infrastructure costs to support the Lānaʻi Affordable Housing Project, which includes the development of water and sewer systems for a 372-unit subdivision. The project will provide 199 affordable housing lots and 173 affordable rental and for-sale units, addressing the island's housing shortage. The County of Maui has already completed Phase I with a committed developer, and with this funding, Phase II will begin. The project will benefit low- and middle-income residents, improving the availability of affordable housing on Lānaʻi.

The project has a Federal nexus because it is consistent with the purposes authorized in 42 U.S.C. §5305(a)(2).

I certify that neither I nor anyone in my immediate family has a financial interest in this project.

Sincerely,

Jill Tokuda
Member of Congress
