The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **West Hawai'i Mammography Expansion** project in Fiscal Year 2027. The entity to receive funding for this project is the **West Hawai'i Region of the Hawai'i Health Systems Corporation** located at **79-1019 Haukapila Street, Kealahou, HI 96750**.

The funding would be used to establish on-site mammography services, including the purchase of mammography equipment, facility upgrades, and electronic medical record (EMR) integration. The project is an appropriate use of taxpayer funds because it expands access to timely breast cancer screening, reduces geographic and income-related disparities, strengthens preventive care, and improves health outcomes for women across West Hawai'i.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jill Tokuda
Member of Congress
