The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Pali Highway Landslide Repair** project in Fiscal Year 2027. The entity to receive funding for this project is the **Hawai'i Department of Transportation** located at **869 Punchbowl Street, Honolulu, HI 96813**.

The funding would be used to stabilize a landslide along the Pali Highway on O'ahu and implement measures to prevent future slope failures. This project would be a valuable use of taxpayer funds because it would reduce the risk of roadway closures, falling debris, and damage to vehicles and infrastructure, enhancing public safety and strengthening the resilience of a critical transportation corridor to future hazards.

The project has a federal nexus because the funding provided supports the construction, maintenance, and safety of a federal-aid highway, for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Jill Tokuda  
Member of Congress
