The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Kaua'i County Wastewater Treatment Plant Relocation** project in Fiscal Year 2027. The entity to receive funding for this project is the **County of Kaua'i, Department of Public Works** located at **4444 Rice Street Suite 500 Lihue, HI, 96766**.

The funding would be used to support the relocation of the Wailua Wastewater Treatment Plant from a tsunami hazard zone, including land acquisition and associated planning and site development activities. The facility serves residents, schools, healthcare facilities, businesses, and visitor accommodations in the Wailua and Kapa'a communities. This project would be a valuable use of taxpayer funds because it would reduce risk to critical infrastructure, maintain reliable wastewater service, protect public health, and support future housing development and cesspool conversion efforts in a safer, compliant location.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
