The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Public Safety Radio Modernization** project in Fiscal Year 2027. The entity to receive funding for this project is the **County of Maui** located at **200 South High Street, Wailuku, HI, 96793**.

The funding would be used to replace aging radios for the Maui Fire and Police Departments with modern, interoperable, NFPA-compliant equipment to support emergency response. This project would be a valuable use of taxpayer funds because it would deploy next-generation radios that meet national durability, survivability, and interoperability standards, strengthening coordinated police and fire response to protect public safety.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Jill Tokuda  
Member of Congress
